

Grant Reporting Evidence

Use this folder for the grant reporting assistant workflow.

CSV Files

The csv folder contains only three files:

- 01_Grant_Profile_and_Finance.csv
- 02_Grant_Performance_and_Report_Material.csv
- 03_Evidence_and_Media_Index.csv

Images

The images folder contains synthetic evidence assets:

- realistic student project activity photos,
- generic student recognition illustrations,
- generic synthetic news clipping images.

Use `relative_path` in `03_Evidence_and_Media_Index.csv` to load images from this folder.

All grant labels, budget units, writeups, images, and media records are synthetic and should not be treated as real grant, finance, field, or media data.
